

Self-Assessment (SAMS) Modules

Radiological Society of North America

95th Scientific Assembly and Annual Meeting

November 29–December 4, 2009

McCormick Place, Chicago

RSNA2009.RSNA.org

SUBSPECIALTY CONTENT BROCHURE

Subspecialty content brochures organize the components of the annual meeting by subjects that correspond to radiologic subspecialties. We hope this brochure, along with the Meeting Program, helps to enrich and ease your experience at RSNA 2009.

RSNA Annual Meeting CME Information

RSNA® is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

RSNA designates this educational activity for a maximum of 90.75 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Sunday, November 29, 2009

2:00-3:30 Refresher Courses

Diagnosis and Management of Traumatic Abdomen and Pelvis: Bleeding and Vascular Injury (An Interactive Session) (RC108) (S102AB)

Interventions for Pain and Sedation in Radiologic Practice (RC114) (N229)

What Diagnostic Radiologists Need to Know about Radiation Oncology (RC118) (E450B)

Osteoporosis: Clinical and Imaging Features (RC124) (E451A)

Monday November 30, 2009

8:30-10:00 Refresher Course

Easily Missed Findings in Emergency Radiology: Chest and Abdomen (An Interactive Session) (RC208) (E353C)

3:00-4:30 Multisession Course

BOOST: Breast—Case-based Review (In Conjunction with the American Society for Radiation Oncology) (RO23) (S102AB)

Tuesday, December 1, 2009

8:30-10:00 Refresher Course

Quality Control in PACS (Informatics in Practice) (RC326) (S503AB)

3:00-4:30 Multisession Course

BOOST: Gynecology—Case-based Review (In conjunction with the American Society for Radiation Oncology) (RO36) (S103AB)

- 4:30-6:00 Refresher Courses**
- Baby Boomer Bruises (An Interactive Session) (RC404) (E353B)
- Central Nervous System Infections (An Interactive Session) (RC405) (S402AB)
- How to Set Up a High-Quality Breast MR Imaging Program (RC415) (E451B)
- How to Avoid a Scandal: Resolving Difficulties in Professional Relationships (Sponsored by the RSNA Professionalism Committee) (An Interactive Session) (RC416) (E353C)

Wednesday, December 2, 2009

- 8:30-10:00 Multisession Course**
- BOOST: Central Nervous System—Anatomy and Contouring (RO41) (S102AB)
- Refresher Courses**
- High-Resolution CT Update: Multidetector CT Technique, Idiopathic Interstitial Pneumonias, and Emphysema (An Interactive Session) (RC501) (S405AB)
- Thyroid and Parathyroid Imaging (RC506) (N230)
- Pediatric Interventional Radiology (RC513) (N226)
- Update Course in Diagnostic Radiology Physics: Imaging Technologies in Oncology—maging Genitourinary and Prostate Cancer (RC521) (S102D)

- 3:00-4:30 Multisession Course**
- BOOST: Central Nervous System—Case-based Review (In Conjunction with the American Society for Radiation Oncology) (RO43) (S102AB)
- BOOST: Gastrointestina—Case-based Review (In Conjunction with the American Society for Radiation Oncology) (RO46) (S103AB)

Thursday, December 3, 2009

- 8:30-10:00 Refresher Courses**
- Unique Musculoskeletal Issues in Children (An Interactive Session) (RC604) (S103AB)
- Peripheral Arterial Occlusive Disease: Perspectives on Diagnosis and Treatment (RC612) (S504AB)
- Imaging Evaluation of Multiple Myeloma (RC618) (N226)
- Practical Approach to Optimizing Radiation Dose for Body CT (RC624) (S503AB)
- 3:00-4:30 Multisession Course**
- BOOST: Prostate—Case-based Review (In Conjunction with the American Society for Radiation Oncology) (RO53) (S102AB)

4:30-6:00

Refresher Courses

Case-based Review: Trauma, Mediastinum, and Pleura (An Interactive Session) (RC701) (S103AB)

Spine Imaging (RC705) (E451A)

Results and Reporting (Informatics in Practice) (RC726) (S102D)

Friday, December 4, 2009

8:30-10:00

Refresher Courses

Doppler US (An Interactive Session) (RC810) (S402AB)

Interventional Breast Techniques (An Interactive Session) (RC815) (S406A)

New Concepts and Challenges in Assessing Response to Cancer Therapy (An Interactive Session) (RC818) (S405AB)

Mammography Training and Self-Assessment Workshops
(days and times in the Multisession Section of the printed program)

Reading Breast MRI Cases on a Diagnostic Workstation Workshop (BM) (S101AB)

Digital Mammography plus CAD Workshop (DM) (S101AB)

Digital Breast Tomosynthesis Workshop (TM) (S101AB)

RADIOLOGICAL SOCIETY OF NORTH AMERICA

ABR-qualified Self-Assessment Modules (SAMs) are available online in many subspecialty areas. Find our latest at RSNA.org/Education/MOC.

Purchase other RSNA educational products and view an online demonstration of *NEW* Physics Modules at the Education Store, Lakeside Center, Level 3.

For more information on all RSNA education resources, visit RSNA.org/Education.
