

Preliminary Program

	7:00AM	7:30AM	8:00AM	8:30AM	9:00AM	9:30AM	10:00AM	10:30AM	11:00AM	11:30AM	12:00PM	12:30PM	1:00PM			
Saturday 11/28																
Sunday 11/29																
				Opening Session PS30				Scientific Sessions SSA								
								Oncodiagnosis Panel PS31								
								Radiologist Assistants Symposium RA11								
								Pediatric Radiology Series VP11								
Monday 11/30	Special Focus Sessions SFF			Refresher Courses RC200s				Scientific Sessions SSC								
				Associated Sciences Refresher Course AS21				Associated Sciences Refresher Course AS22								
				Case-based Review: MR CM21				Case-based Review: MR CM22								
	Lunch, Visit Posters, Education Exhibits & Technical Exhibits			BOOST RO21 Breast				BOOST ISP RO22 Breast								
	Technical Exhibit Hours Sun. - Wed. 10:00 AM - 5:00 PM Thursday 10:00 AM - 2:00 PM			Breast/Nuclear Medicine/Molecular Imaging Series VM21												
	Lakeside Learning Center Hours Sunday 8:00 AM - 6:00 PM Mon. - Thur. 7:00 AM - 10:00 PM Friday 7:00 AM - 12:45 PM			Neuroradiology Series VN21												
	Chest Series VC21															
	Ultrasound/Gastrointestinal Series VG21															
	Genitourinary Series VU21															
	Pediatric Radiology Series VP21															
	Interventional Radiology Series VI21															
	Cardiac CT Mentored Case Review MC21						Cardiac CT Mentored Case Review MC22									
Tuesday 12/1																
	Program Key			Refresher Courses RC300s				Scientific Sessions SSG								
	<ul style="list-style-type: none"> Multisession Courses* Plenary Sessions Refresher Courses* Scientific Sessions Special Focus Sessions 			Associated Sciences Refresher Course AS31				Associated Sciences Refresher Course AS32								
	* Requires tickets Register for courses beginning June 30			Case-based Review: IV CI31				Case-based Review: IV CI32								
				Essentials Course ES31				Essentials Course ES32								
	Emergency Radiology Series VE31															
	Genitourinary Series VU31															
	Breast Series VB31															
	Interventional Radiology Series VI31															
	Pediatric Radiology Series VP31															
	BOOST RO31, RO34 Head & Neck/Gynecology						BOOST ISP RO32, RO35 Head & Neck/Gynecology									
	Quality Improvement Symposium QI31						Quality Improvement Symposium QI32									
Wednesday 12/2																
				Refresher Courses RC500s				Scientific Sessions SSK								
				Associated Sciences Refresher Course AS41				Associated Sciences Refresher Course AS42								
				Case-based Review: Pediatrics CP41				Case-based Review: Pediatrics CP42								
				Essentials Course ES41				Essentials Course ES42								
				BOOST RO41, RO44 CNS/Gastrointestinal				BOOST ISP RO42, RO45 CNS/Gastrointestinal								
				Molecular Imaging Symposium MI41				Molecular Imaging Symposium MI42								
	Musculoskeletal Radiology Series VS41															
	Interventional Radiology Series VI41															
	Neuroradiology Series VN41															
Thursday 12/3	Special Focus Sessions SFS			Refresher Courses RC600s				Scientific Sessions SSQ								
				Case-based Review: NR CN51				Case-based Review: NR CN52								
				Case-based Review: NM CC51				Case-based Review: NM CC52								
				BOOST RO51 Prostate				BOOST ISP RO52 Prostate								
				Essentials Course ES51				Essentials Course ES52								
	Interventional Radiology Series VIS1															
	Cardiac CT Mentored Case Review MC51						Cardiac CT Mentored Case Review MC52									
	ASRT@RSNA 2009 RT51				ASRT@RSNA 2009 RT52				ASRT@RSNA 2009 RT53							
Friday 12/4																
				Refresher Courses RC800s				Scientific Sessions SST								
				Interventional Radiology Series VI61												

Preliminary Program (continued)

	12:00PM	12:30PM	1:00PM	1:30PM	2:00PM	2:30PM	3:00PM	3:30PM	4:00PM	4:30PM	5:00PM	5:30PM	6:00PM
Saturday 11/28	AAPM/RSNA Physics Tutorial for Residents PS10												
	AAPM/RSNA Physics Tutorial on Equipment PS20												
	Effective Real Estate Investment Strategies PS11												
Sunday 11/29	NIH Grantsmanship Workshop PS12												
	Refresher Courses RC100s												
	Image Interpretation Session PS40												
	Radiologist Assistants Symposium RA12												
Monday 11/30	Radiologist Assistants Symposium RA13												
	Radiologist Assistants Symposium RA13												
	Pediatric Radiology Series VP12												
	Interventional Oncology Series VO11												
	New Horizons Lecture PS50												
	Scientific Sessions SSE												
	Special Focus Sessions SFF												
	Associated Sciences Refresher Course AS23												
	Associated Sciences Refresher Course AS24												
	Case-based Review: MR CM23												
Case-based Review: MR CM24													
Tuesday 12/1	Physics Symposium PS52												
	BOOST R023 Breast												
	Interventional Oncology Series VO21												
	AAPM/RSNA Basic Physics Lecture for the RT PS51												
	Asset Protection & Retirement Planning in the New (Stimulus?) Era PS53												
	Cardiac CT Mentored Case Review MC23												
	Cardiac CT Mentored Case Review MC24												
	Annual Oration in Diagnostic Radiology* PS60												
	Scientific Sessions SSJ												
	Refresher Courses RC400s												
	Associated Sciences Refresher Course AS33												
	Associated Sciences Refresher Course AS34												
	Case-based Review: IV CI33												
	Case-based Review: IV CI34												
Essentials Course ES33													
Essentials Course ES34													
Pediatric Radiology Series VP32													
Chest Series VC31													
Interventional Oncology Series VO31													
BOOST R033, R036 Head & Neck/Gynecology													
Quality Improvement Symposium QI33													
Quality Improvement Symposium QI34													
Wednesday 12/2	Annual Oration in Radiation Oncology* PS70												
	Scientific Sessions SSM												
	Special Focus Sessions SFN												
	ASRT@RSNA 2009 RT41												
	ASRT@RSNA 2009 RT42												
	ASRT@RSNA 2009 RT43												
	ASRT@RSNA 2009 RT44												
	Case-based Review: Pediatrics CP43												
	Case-based Review: Pediatrics CP44												
	Essentials Course ES43												
Essentials Course ES44													
BOOST R043, R046 CNS/Gastrointestinal													
Molecular Imaging Symposium MI43													
Molecular Imaging Symposium MI44													
Interventional Oncology Series VO41													
Thursday 12/3	RSNA/AAPM Symposium* PS80												
	Special Focus Sessions SFS												
	Refresher Courses RC700s												
	Case-based Review: NR CN53												
	Case-based Review: NR CN54												
	Case-based Review: NM CC53												
	Case-based Review: NM CC54												
	BOOST R053 Prostate												
Interventional Oncology Series VO51													
Friday 12/4	Cardiac CT Mentored Case Review MC53												
	Cardiac CT Mentored Case Review MC54												
	ASRT@RSNA 2009 RT54												
	ASRT@RSNA 2009 RT55												
	ASRT@RSNA 2009 RT56												
	Imaging Symposium PS90												

* Awards to begin at opening of Plenary Session (1:30-1:45)
